15 Transfer & Transmission

15.1 Purpose

This module caters to two functiona
lities:

Transfers: allows moving all or part of a BO's holdings from one DP to another (Transfer) or from one BO account to another account within the same DP or different DPs (Change of ownership). Only the free holding can be transferred.

Transmissions: allows moving all of a BO's holdings from one DP to another (Transmission) or from one BO account to another account within the same DP or different DP (Change of ownership). Only the free holding can be transferred.

15.2 Modes of Operation

Transfers can be Setup, Inquired, Deleted, and Modified in online and offline modes. Transfers can be Approved and Uploaded only in online mode.
Transmissions can be Setup, Inquired and Approved in online mode only. Transmissions cannot be modified.

15.3 Access Restrictions

DP can Setup and approve its Transfer and Transmission requests.
